Read Meter at Customer's Request	\$ 25
Return to Read Meter, Inaccessible to Meter Reader	\$ 25
Test Meter at Customer's Request	\$ 60
Set Service Pole for Customer's Purpose	\$ 450 <sup>4</sup>
Set Pole and Security Light (Poles set inaccessible by truck-- actual costs plus applicable overhead will be charged)	\$ 475 <sup>4</sup>
Connection of Security Light	\$ 75 <sup>4</sup>
Reconnect Existing Security Light	\$ 40
Broken Meter Seal	\$ 25
Theft of Service/actual costs incurred	\$ 225/min.
Underground Security Light Service (wiring only)	\$ 100 <sup>4</sup>
Application for Interconnection of Distributed Generation Fee	
Systems Lesser than 50kW DC	\$ 250
Systems Greater than 50kW DC	\$ 500
Monthly Generation Metering and TVA Reporting Fee (only applicable if Interval data reporting is required by TVA)	\$ 50

<sup>1</sup> This charge is for general sets. Property owners renting and having a volume of meter sets will be covered by CDE Lightband Operating Policy No. 2-15 if they so choose.

<sup>2</sup> Every trip, except for reconnection of service, will result in a service fee.

<sup>3</sup> These are minimum charges that are open to adjustment if not enough to cover actual costs incurred.

<sup>4</sup> These materials shall remain the property of CDE Lightband.

Effective November 22, 2022
